

Living Well: Your Health, Heart and Stroke

A Free Heart & Stroke Program Presented by Catholic Health

Wednesday, January 11, 2012

St. Edmund Campus, 530 Ellicott Creek Rd. Tonawanda, NY 14150

•**3:00pm - 4:30pm**: Physician Speakers, Robbie Wall, DO, Cardiology and George Kalonaros, MD, Neurology

•**4:30pm - 6:00pm**: Free Cardiovascular Health Screenings (Cholesterol, Blood Pressure, Diabetes / Glucose)

Heart disease is the #1 cause of death in the US, and every 25 seconds, someone has a cardiac event.

Stroke is the 3rd leading cause of death, and the #1 cause of disability in the US.

Join Catholic Health January 11 to get FREE health screenings, and hear from experts in the cardiology and stroke medical fields.

Dr. Wall and Dr. Kalonaros will address the latest in cardiac and stroke conditions, treatments and prevention of disease.

Appointments and pre-registration are required. Please register by calling HealthConnection at:
